About the **Directorate**

The Directorate for Development of International Trade, Services, and WTO (DITSWTO) of ICAI aims at promoting bilateral investments in order to align with PM Modi's vision and spotlighting accounting and finance as crucial export services to be vital amidst global service trade growth and India's expanding FTAs. This emphasis offers Chartered Accountants diverse opportunities, evident in ICAI's global footprint, showcasing their international reach. Beyond branding, the Directorate aids trade navigation, fosters expertise, connects professionals, and influences policy. Its role extends to providing a robust global networking platform, vital for India's aim to elevate Accountancy within WTO guidelines. Through collaboration and expertise, the Directorate advances CAs' interests, contributing significantly to India's global trade aspirations.

Under the aegis of the Directorate of ICAI to pave a long way in promoting accounting and finance services globally; we aim to significantly advance the promotion of accounting and finance services on a global scale.

About the **Certificate Course**

A certificate course on overseas outsourcing services is designed to equip members with the knowledge and skills needed to navigate the complexities of outsourcing business functions to international service providers. The course aims to focus on key areas like Understanding the fundamentals of Accounting outsourcing, Differentiating between various outsourcing Softwares, Trends, challenges, and opportunities in the international outsourcing market, Effective communication strategies in a global context, Analyzing realworld case studies to understand successful and challenging overseas outsourcing initiatives and many more.

The future of the profession lies in its ability to change, evolve, and adapt to the changing environment, which is a central element of the various reforms. This Certificate Course envisages acquainting them with the evolving outsourcing services in the economy, equipping the members with the futuristic skills etc in Overseas Outsourcing landscape and practices in the changing environment to help protect the public interest. The target jurisdictions for this certificate course include the United States, Australia, and the United Kingdom. We have already launched the course in the U.S. market and will soon be introducing it to the Australian market as well.

Foreign Clients with Indian CA Firms

Testimonials

The course gave indepth insight into the world of outsourcing practice alongwith dos and don'ts.

Overall experience was good. It is best suited for freshers or with couple of years experience.

It was really a nice experience. Came to know about the big opportunities in foreign market.

The course was useful, it tried to cover all the aspects.

The course was an eye opener for me. Hope I can benefit from the course.

The overall structure and topics were comprehensive and to the point which helps us to embark on the journey of starting Outsourcing practice.

This session exceeded my expectations. The knowledge shared was not only relevant but also delivered in a manner that kept us engaged throughout.

Faculties sessions are very insightful as not only do they give practical approach but shares real life examples.
